Almost impossible to watch to the end.

Remember that the Jewish supremacist agenda requires "corrupting the Goyim." And destroying their gods, i.e., values. Especially, the Gentile sense of divinity -- aka innocence.

Weird views on capitalism and porn. Links porn to horror films.

JLL warning: Hostel by Eli Roth, 2005. Part II, 2007. "Your darkest, sickest fantasies."

Watch out for Part III which may be the first snuff film foisted off on the public.

"Base my sex-ed course on slasher movies"! Why not show a sex-positive attitude affirming the beauty and innocence of sexual drives in youth. Nothing positive to say about sex. Does not talk from personal experience, in transparency.

India: see Khajuraho erotic temple. 11th Century. Display pornographic acts? No, it displays normal sexual acts.

Catholicism in India. Great, a new crop of young boys to defile. Uniforms? Mass mind control inculcating the youth with the idea that pleasure for its own sake is a sin. Sin-peddlers.

Argument: Reason versus desire: Capitulation to desire is evil. Desire versus reason and morals.

Part 2, 39 M: Porn is a way to defile Christian culture, --No, I say, to DEFY it. If Christian culture forbids sexual experimentation free of risk of conception, outside marriage, and framed in a pleasure pact -- then it has to be defied for the sexual sanity of the species. "Moral standards" do not come with sex-positive sex-ed so what do they expect?

Reich commentary -- "Marxism and psychoanalysis compatible"? Hardly. They are both Jewish, of course.

Back to Jones

My view: The contract is love. The currency is pleasure. Sin = denial of natural urge to love and pleasure. The true sin against human nature.

Jones cites Greek tragedy. Bacchae is a warning against repression, resisting the Dionysian force.

Summer and Smoke from the play by Tennessee Williams, 1961

Impossible to tell that Geraldine Page is acting.

Both films came out in 1961. I rest my case.

REICH: Sex economy. Orgonomic functionalism. Orgasmic potency (not orgiastic, though it certainly is!) The self-governing character structure. "Love, work, and knowledge are the wellsprings of our life. They should also govern it." Not "moral standards" drawn from off-planet authority of the Christian creator.

About the 1960s: I hit the ground running, at 15 years old. Here's what it was about at the core. "Sexual Liberation" and "free love": freedom 1 FROM religious repression of natural sexual urges, 2 FROM the risk of procreation, pregnancy, 3 FROM the requirement of commitment for life as the price or contract exacted for sexual opportunity, 4 FROM guilt and shame about natural urges, attraction, pleasure-seeking drives.

The sexual innocence of the 1960 generation was not directed or guided. Sexual enlightenment comes to the world late, in Kali Yuga. Kala Tantra is liberation through desire, not from it. Liberation = access to the full magical and moral endowment of the Anthropos, the birthright of the human species.

CELESTIAL PARAMETERS: Jupiter in the LION -- VIRGIN. Warrior ethos and KWP, sexual enlightenment, gender binary, heroic stories of love > Euphanes, the future, non-Jewish, non-religious psychology. Ecopsychology, Gaian alchemy....

Anti-porn polemic on TedX:

https://www.youtube.com/watch?v=gRJ_QfP2mhU

He says:

Porn brought anger and violence into his life. Studies show a sharp decline in violence against women, and rape rates, when porn went into home distribution in the 1980s. It was there already in him, I would say.

#All about male domination of women. Not so. This guy is a classic mangina, preaching the radfem party line.

Choking a woman. You have to go look for it. Some women are gaggers, who liked to gag on cock. That is a fact. It is not imposed on them. They crave it. It's a human desire. People cannot be impeded from such desires, even to the point of self-harm.

No hugs, kisses or tender caresses in porn. Dead wrong. There is plenty of that. He appears to have selectively avoided those depictions that don't support his argument, and watch other types of porn.

Woman cry? Really? Never seen that in a porn clip except from bliss, satisfaction. He cites from nasty, s-and-m genre of porn. Why did he watch that? You don't have to go there.

#And children cry? So he also watched child porn. A telling remark.

Radical feminism considers any form of penetration as rape. Mary Daly, Gyn/Ecology. Even Germaine Greer in the porn debate linked above appear to take the view that penetration is violation of a woman's body.

There are porn education sites, showing techniques for better "performance" and sexual satisfaction of both members.
